

## IceBowl 2024 Code of Conduct

Welcome to the 30th Anniversary IceBowl Tournament in Edmonton! We have great expectations for this weekend and hope that we can make it as awesome as possible for you all. As we are working hard for you to have an amazing time we have some things we hope you keep in mind for the weekend:

- 1) For those staying in the event hotel, remember that each room is responsible for all damages and charges. Please respect the hotel and its policies. Also, we want everyone to have a great time but please remember we do not have the entire hotel booked. Please be respectful at all times, and be especially considerate around non-IceBowl participants.
- 2) There is no alcohol consumption allowed in any of the City of Edmonton Venues (including in locker rooms and the stands), nor on the Red Arrow buses. Please respect these rules and save the drinking for the parties!
- 3) Please keep it safe on the ice. Nobody wants to get injured or to be responsible for anyone else's injury. For the tournament rules please check our website.
- 4) Our referees are graciously donating their time to officiate our games. Please treat them with respect and don't give them a hard time. We wouldn't be having a tournament without them!
- 5) Finally, don't forget that we are here to see some great hockey and have a good time! Please be respectful and represent your school well, but also have fun, meet new people, and make memories!

I certify that I have read the code of conduct above and agree to behave respectfully and responsibly:
